The screenshot shows the Acon Digital DeVerberate software interface. At the top left is the Acon Digital logo. The main title is "DeVerberate". To the right of the title are navigation buttons: a left arrow, a "Reset" button, a right arrow, a "Learn" button, a "Difference monitoring" button (eye icon), and a "Use emphasis filter" button (power icon). Below the title bar is a spectral plot with "Spectral level (dB)" on the left y-axis (ranging from 0 to -80) and "Frequency (Hz)" on the x-axis (logarithmic scale from 20 to 20000). A white line represents the "Reverberation" component, and a purple shaded area represents the "Emphasis filter" component. The plot shows a yellow line for "Input", a grey line for "Output", and a yellow line for "Reverberation".
